

RESOLUTION

Bluetronix, Inc.

Solon, OH

WHEREAS: Bluetronix, Inc. has achieved special recognition as a developer of innovative mobile communications and swarm networking technologies in the state of Ohio.

WHEREAS: Bluetronix, Inc. is acknowledged for their technological excellence and business acumen via their success in winning multiple small business innovation research awards, community special recognition, forth-coming products, and follow-on contracts from the U. S. Defense Advanced Research Projects Agency (DARPA).

WHEREAS: Bluetronix is a valued and highly regarded member of the Ohio business and advanced technology communities. Their support of Ohio's Manufacturing and Technology Small Business Development Centers (MTSBDC), Kent State University, including Ohio's Small Business Development Center program is demonstrated by their endorsement of the MTSBDC's and the Procurement Technical Assistance Center's value in assisting them in their quest to advance this unique swarm networking technology and commercialization.

Therefore ... BE IT RESOLVED that the college of Technology at Kent State University and Ohio's MTSBDC at Kent State both recognize Bluetronix, Inc. for their success as an outstanding high-technology Ohio company with cutting edge swarm technology and their ongoing dedication as partner of the College and the Ohio MTSBDC.

On this date of Saturday May 5, 2007 as so recognized:

William. T. Southards

*W. T. Southards, Director
Kent State University*
